ORDER GOVERNING MOTION HEARING

The court will be conducting a hearing on Friday, December 19, 2008. The hearing is currently set to address “all pending motions.” However, as further discussed during the December 1, 2008 telephone conference, the court will not expect argument on all the motions. Rather, the court will focus on Defendants’ “Motion for Summary Judgment of Invalidity of the ‘305 Patent” [Dkt. ## 209 & 210], Defendants’ motions to strike [Dkt. ## 279, 281 & 282], Henrob’s motion for disqualification [Dkt. # 296], and Defendants motion for summary judgment with respect to Henrob’s claims of willful infringement [Dkt. # 206].

The court does not guarantee that it will conduct a hearing on any remaining pending motions as they may be decided on the briefs. See E.D. Mich. LR 7.1(e)(2). Thus, keeping in mind that the court will be primarily prepared to discuss the specified motions, the parties will be allowed, *but not expected*, to make any final comments on

the remaining motions, particularly if resolution of the above-listed motions will impact any issues in the remaining motions.

Finally, the parties should be advised that the court has set aside the entire morning for this case until 12:30 p.m., but does not anticipate the necessity for continuing past that time.
